SUMMARY

Enthusiastic and highly motivated Full Stack Java Developer with hands-on experience in building responsive web applications, RESTful APIs, and database-driven solutions using Java, Spring Boot, React.js, JavaScript, and MySQL. Strong foundation in Object-Oriented Programming, problem-solving, and software development principles. Eager to contribute technical skills, learn from experienced professionals, and grow within a dynamic software development team.

EDUCATION

B.Tech-Computer Science Vishwakarma University 2026	CGPA: 7.05/10.
HSC Pravara Public School 2022	Score:-71.17%
SSC Pravara Public School 2020	Score:- 83.80%

SKILLS

- Programming Languages: Java, C, C++, JavaScript.
- Databases: MySQL, Postgree SQL, Database Design, SQL Queries.
- Tools & Technologies: Git, GitHub, VS Code, Eclipse, Vercel, Postman, Netlify, Redux.
- Frontend: HTML, CSS, JavaScript, Bootstrap, React.js
- Backend:- Node.js, Express.js, REST API Development, User Authentication, MySQL Integration, Spring Boot, Hibernate.

PROJECTS

DriveEase Pro

Developed a full-stack car rental platform with user authentication, car booking management, admin dashboard, customer reviews, and PostgreSQL database integration. Implemented REST APIs for managing users, bookings, and vehicle data.

Coloshop- E-commerce project.

Developed a full-stack e-commerce web application with user authentication, shopping cart, order management, and admin panel. Built REST APIs using Node.js and Express.js, integrated MySQL for data storage, and designed a responsive frontend using HTML, CSS, JavaScript, and Bootstrap.

Learning Dashboard

Created a modern student learning dashboard with responsive UI, course tracking, analytics cards, and Supabase database integration. Implemented dynamic data fetching and optimized user experience using Next.js.

Hospital Management System

Built a responsive hospital management interface with doctor listings, department management, appointment booking features, and administrative sections. Focused on component-based architecture and modern UI design.

COURSES

Java Full Stack Development 📄
Envision Institution

Pune

CERTIFICATES

- IT Fundamentals For Cyber Security.
- Networking Fundamentals-Cisco Networking Academy.
